*12/14/02*

TERMINAL DISCLAIMER

The owners, Cohesion Technologies, Inc and Pharming BV of 100% interest in the instant application hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior patent numbers 6,111,165, 5,895,833, 5,962,648 and 5,667,839. The owners hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding on the grantee, its successors or assigns.

In making the above disclaimer, the owners do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned is an attorney of record. The PTO suggested wording for terminal disclaimer was unchanged.

The Commissioner is authorized to charge the terminal disclaimer fee to deposit account no. 19-0750 (order no. C94-007D4).

Respectfully submitted,  
SCIENCE & TECHNOLOGY LAW GROUP
